● About the Project

1. Project Objective

To design and distribute an official club shirt to build unity, identity, and standard representation for our members during official events, while simultaneously raising funds for the club to support future community service activities.

2. Project Description

The project began with securing official written permission from the Principal of Richmond College. The design featured a standard navy blue polo shirt with the Leo Club logo, the Richmond College school crest, and the club name on the back to maintain school dignity.

An order was placed with V And V Fashion Pvt Ltd for 30 Micripique polo shirts. The production cost was LKR 1,850 per shirt, totaling LKR 55,500. An initial advance of LKR 23,200 was paid on April 1, 2026, and the final order was completed and invoiced on April 25, 2026. The shirts were subsequently distributed to the club members.

3. Conclusion:

The project was a financial success. The shirts were sold at LKR 2,500 each, generating a total revenue of LKR 75,000. After deducting the production cost of LKR 55,500, the project gained a total profit of LKR 19,500 for the club treasury. These funds are now available to sponsor the club's upcoming service initiatives.
