● About the Project

The "Picasso Art Competition (Phase 02)" was an art event organized by the Centennial Leo Club of Richmond College. We held the competition at the Rajapaksha Stadium to give students from Grades 6 through 11 a dedicated space to show their creativity outside of their usual school routine.

1. Project Objective

Our main goal was to give students a break from their heavy schoolwork and let them focus on their artistic talents. By setting up this competition, we wanted to find the hidden artists in our school and give them a platform to express themselves in a competitive but positive way.

2. Project Description

➤ **Community Need / Requirement:**

With the constant pressure of exams and classes, Richmond College students don't always get the chance to practice their hobbies. We saw a need for a simple, well-organized event that would let students focus on art for a day in a supportive environment.

➤ **Project Selection / Idea Generation:**

We decided on Phase 02 of this competition to keep the momentum going from our previous art project..

➤ **Planning and Execution:**

On April 30, 2026, the project commenced at Rajapaksha Stadium. We handed out standard drawing paper to every participant to keep things fair. Themes were then announced and students were given a set time to finish their work. Our members then walked through the rows, collected the finished drawings, and sorted them.

➤ **Challenges Identified:**

The biggest challenge was managing the crowd and collecting drawings without them getting mixed up.

➤ **Solutions Implemented:**

We solved this by dividing the stadium floor into sections based on grades. Members were stationed in every section to help the students and keep the event running smoothly.

➤ **Contribution from Leo Club Members:**

Our members conducted the whole project from setting up the venue to handling the registration and sorting through the stacks of artwork.

3. Conclusion:

The Picasso Art Competition (Phase 02) turned out to be a great success. We helped boost student morale and showed just how much creative talent we have in our school.

Description

Students often have very busy schedules. They don't get enough chances to show their artistic side. This can hide the great talent students have. We organized the "Picasso Art Competition (Phase 02)" to give students in Grades 6 to 11 a fun way to be creative through art.

On April 30, 2026, we held the competition at the Rajapaksa Stadium, Richmond College. The competition was a big success, making the students feel proud of their work and showing everyone the amazing artistic talent at Richmond College.
