Introduction

Since its charter in 2016, the Centennial Leo Club of Richmond College, Galle, has been at the forefront of youth leadership, community service, and student empowerment. Over the years, the club has grown into a vibrant platform where young individuals discover their potential, develop their talents, and channel their energy into meaningful service. Each year, one of the most significant traditions of our journey has been the Installation Ceremony, hosted under the theme "Inspiration", where new office bearers and members are officially inducted into leadership and service. This ceremony is not only a formal transition of responsibilities but also a celebration of unity, growth, and the continuous evolution of our club.

The year 2025 marks a historic milestone in our legacy: the 10th Installation Ceremony and the 9th Anniversary of the Centennial Leo Club of Richmond College. This dual celebration embodies nearly a decade of unwavering commitment to service, leadership, and fellowship. It reflects the resilience and dedication of past leaders who laid the foundation, the passion of present members who carry that vision forward, and the promise of future generations who will continue to shape the journey of our club.

Above all, the 10th Installation Ceremony is more than a milestone—it is a testament to the fact that the Centennial Leo Club of Richmond College is not simply sustaining a tradition but actively shaping the future of service and leadership. It is a celebration of legacy, a renewal of commitment, and a beacon of inspiration that will guide our club into the decade ahead.

Who We Are

Founded in 2016, the Centennial Leo Club of Richmond College is part of Leo District 306 D8. Since its inception, the Centennial Leo Club has won numerous accolades at district and multiple-district level, including key individual and project awards from 2016-2022. In 2021, under the leadership of then-President **Kulith Nanayakkara**, the club proudly earned the title of **'Most Outstanding School Leo Club in Sri Lanka'**. Guided by the values of leadership and service, we continue to inspire Richmondites to create meaningful change within school and community, while carrying forward a legacy of excellence

Our Mission

Inspiring Richmonddites to lead with service, creativity, and responsibility.

As Richmonddites, we strive to serve our school and community with unwavering dedication while upholding the timeless values of compassion, responsibility, and pride in our heritage. Every initiative we take on is not just a project, but a step towards building a stronger, kinder, and more united community.

Through service, we aim to nurture leadership, encourage teamwork, and cultivate a culture of empathy among our members. By creating meaningful change both within Richmond College and beyond, we ensure that the legacy of our club continues to grow year after year.

Ultimately, our vision is to inspire others—students, peers, and the wider community alike—to embrace the true spirit of “Leadership, Experience, Opportunity,” and to prove that service is not only an act of giving, but also a way of shaping the future.

Why This Ceremony Matters

The Centennial Leo Club of Richmond College stands at a defining moment as it steps into a new Leoistic year, carrying forward a proud tradition of service and leadership. Each transition of office bearers is more than just a handover of responsibilities; it is a bridge between the past, the present, and the future of our movement. Without a formal Installation Ceremony, this process would lack the dignity and structure it deserves, risking a loss of continuity, recognition, and unity within the club.

This year, however, is especially significant. The year 2025 not only marks the beginning of another chapter in our journey but also celebrates two historic milestones: the 9th Anniversary of the Centennial Leo Club of Richmond College and the 10th Installation Ceremony. These milestones embody nearly a decade of unwavering commitment, transformative leadership, and impactful service to both Richmond College and the broader community.

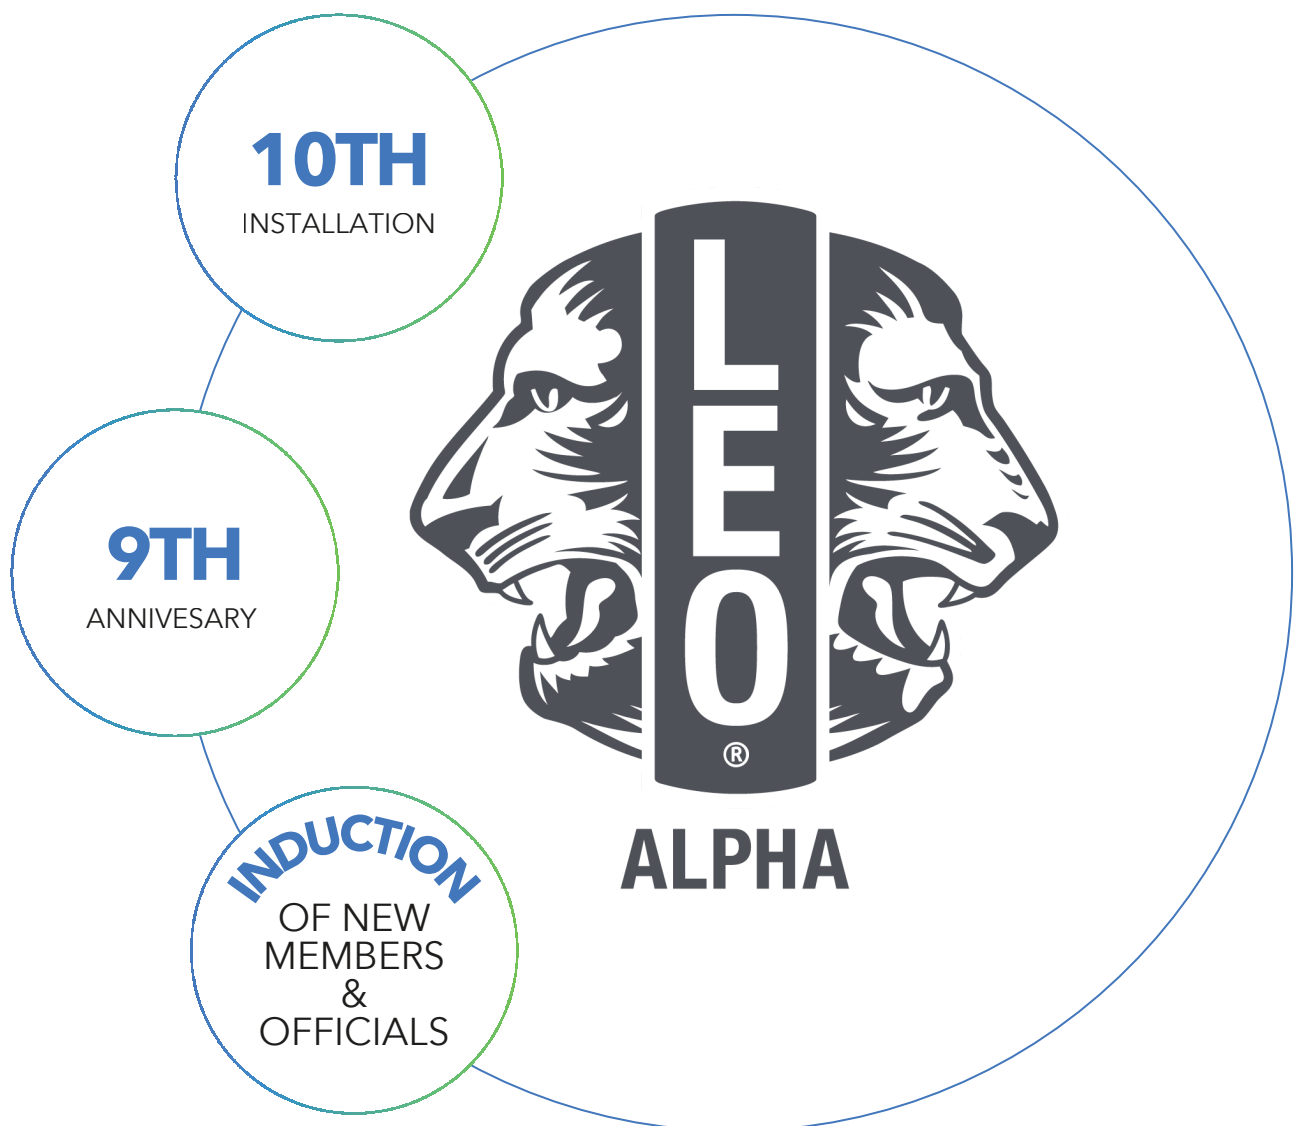

This occasion is not simply a routine tradition; it is a celebration of legacy and progress. It is an opportunity to honor the dedication of past leaders whose vision shaped the club, to recognize the energy and passion of current members who carry that legacy forward, and to inspire the generations yet to come. Moreover, this milestone strengthens our bond with the wider Leo and Lions movement, alumni, and the Richmond College family, reminding us that our service is not isolated but deeply rooted in a larger network of community, leadership, and shared purpose.

To overlook or understate this moment would be to undervalue the very spirit of our club. Instead, this year's Installation Ceremony stands as a beacon of unity, pride, and vision – a testament to what we have achieved and a promise of what is yet to come.

Goals

The Centennial Leo Club of Richmond College aims to make Inspiration '25 a milestone of leadership and pride by achieving the following goals:.

- Conduct the 10th Installation Ceremony.
- Celebrate the 9th Anniversary of the club.
- Induct and empower new office bearers and members.
- Recognize service of past leaders and alumni.
- Strengthen ties with school, Lions, Leos, and community.
- Inspire commitment for the next decade.
