MESSAGE FROM THE DISTRICT PRESIDENT

It is with immense pride and heartfelt joy that I extend my warmest greetings to the Centennial Leo Club of Richmond College on the occasion of your 10th Installation Ceremony, held on the 25th of October 2025.

As a proud old boy of Richmond College, this moment holds special significance for me. To return as the District President and crown the next generation of Richmondite leaders is both an honor and a humbling reminder of how deeply this alma mater shapes us. Richmond has always stood as a beacon of excellence not only in academics and sports, but in the discipline, integrity, and grace that define every Richmondite. It is this unwavering character that continues to shine through in the service of the Leo Club of Richmond College.

Over the past decade, your club has grown from strength to strength, nurturing young leaders who embody the true essence of Leoism leadership through service. As you step into your 10th year, I encourage you to carry forward that same Richmond spirit: to lead with empathy, to serve with humility, and to inspire through action.

My very best wishes go to Leo Mevinu and the incoming team for an outstanding Leoistic year ahead. May your service continue to bring pride to Richmond and to the entire Leo movement.

Let us always remember the words that unite every Richmondite across generations

MESSAGE FROM THE DISTRICT GOVERNOR

As a proud past Richmondite and the first District Governor of the newly formed Lions District 306 D8, it is both an honor and a heartfelt privilege to address the Leos of Richmond College. This new district represents new possibilities, a new identity and a renewed sense of purpose, and I can say with pride that the Leo Club of Richmond College has always stood as one of the finest youth movements in our Multiple District.

Leos are not just the future of Lionism they are its strength today. And when I look at the Leo Club of Richmond College, I see a perfect example of that truth. Year after year, this club has produced outstanding leaders, passionate volunteers and disciplined, service-minded youth who have kept the Richmond legacy shining bright. Your commitment to excellence, your creativity in service and your unity as a team have made this club one of the best and most respected Leo Clubs in the country.

Under my theme "Bridging the Gap," I believe Richmond Leos are already doing exactly that bridging the gap between youth and leadership, tradition and innovation, dreams and action. You are the bridge between our proud past and the future we are building together. As a fellow Richmondite, I know the values this institution gives us integrity, courage, loyalty and service and I see them alive in each of you.

MESSAGE FROM THE CLUB PRESIDENT

It's a true privilege and an honour to serve as the President of the Leo Club of Richmond College, Galle for the Leoistic year INSPIRATION '25. This year carries a special meaning not just because of our long legacy, but because we're stepping into a chapter of revival, growth, and reconnection.

After a period of inactivity, our club is ready to rise again, stronger and more passionate than ever. For years, Richmond Leos have led the way being the first, setting standards, and creating a legacy of excellence that inspired many across the country. My goal, together with my team, is to reignite that same spirit to bring back the energy, pride, and leadership that once made us stand out among the best.

Our theme for this year revolves around Nature a reminder that everything grows again when it's nurtured with care, patience, and purpose. Just like nature, our club is regenerating ready to bloom again through unity, service, and creativity. We aim to blend tradition with innovation, maintaining the values that built our legacy while embracing modern, youthful ideas that reflect today's generation of Leos.

As we embark on this journey, I invite every member to take pride in being part of this rebirth. Let's work hand in hand, support one another, and make every project a reflection of who we are passionate, dedicated, and fearless.

Together, let's make INSPIRATION '25 not just a name, but a movement one that reawakens the Leo spirit of Richmond College and reminds everyone why we were, and always will be, a club that leads with heart.
