ABSTRACT

The objective of Impact Ink was to support the the newly opened library at the Galle Scout Headquarters by donating quality reading materials. Through this project, we aimed to encourage reading habits of young while contributing valuable reading resources to the library collection.

PROJECT NEED ASSESSMENT

Benefiting Community	The beneficiaries of the project are the scouts of the Galle District and the Galle Scout Headquarters. To support a newly established library at the premises, the project donated books to the library to make sure there is no shortage of quality reading materials for members. By donating a diverse collection of books in Sinhala, English, and Tamil, including novels, short stories and educational resources, the project provided library with quality reading material.
Identified Community Need	The Galle Scout Headquarters recently established a library to promote reading among scouts. As the library was in its early stages, we identified it yet faced a shortage of quality reading materials. Our club identified this gap as an opportunity to donate quality reading material for the library to support scouts and to promote reading within young.
Service Opportunity	Recognizing the lack of material at the newly opened library at Galle Scout Headquarters, we saw an opportunity to support the library and to promote reading and literacy among youth. We decided to organize a collection and donation drive to provide the library with quality, diverse set of reading materials ensuring the library could better fulfill its purpose of promoting literacy among the youth.
Mode of Data Collection	We identified the need through input from our club members.
