ABSTRACT

To continue reaching flood victims with relief items, such as dry and canned rations, safe drinking water, hygiene items and to act humanely through effective humanitarian work among affected communities.

PROJECT NEED ASSESSMENT

Benefiting Community	Families most affected by the flooding in affected areas and vulnerable households, such as poor families and elderly individuals who experienced lack of food products and daily necessities due to the flood.
Identified Community Need	The devastation by the flash floods paralyzed daily activities and affected means of living, so that many families are lacking the basic food needs and life necessities. Urgent humanitarian needs included food insecurity and support to affected households in recovery.
Service Opportunity	The scenario was a window for Leos to act fast in terms of humanitarian endeavours so they launched a disaster relief project. The project has helped the Rotarians to be front runners and take lead role in helping community, it also made a difference by prioritizing: Save lives, Respect lives and Protect Lives using this initiative was indeed appreciated as well as fulfilling its strategy.
Mode of Data Collection	Community needs were identified through coordination with local authorities, on-ground observations, discussions with community representatives, and information shared by partnering Leo Clubs actively involved in relief efforts.
